Notice

All beneficiary students are informed that their contact details have been successfully registered under the Srinivasa Ramanujan Digital Device Yojana, and the authorization process is underway.

Students will soon receive a message regarding the e-RUPI Card. Do not delete this message, as it is important for further processing.

The Srinivasa Ramanujan Digital Device Yojana is a government scheme (launched by the Haryana government) aimed at helping students with digital access.

What it is:

It is a program under which eligible college students are provided **digital devices** (like tablets or laptops) or support to get them.

Purpose:

- To promote **digital learning**
- To help students attend **online classes**
- To improve access to **educational resources**

Important:

That message is crucial because it may contain:

- Verification steps
- Voucher details
- Instructions to claim your benefit

So, don't delete it.
