

Report on Career Guidance Lectures

The career guidance and counselling cell of Government College Banjar held a series of lectures on career opportunities in the multipurpose hall of the college on 10th March 2023. Dr. Duni Chand Rana, assistant professor of political science, guided the students on how to prepare for competitive exams with special emphasis on civil services while Mr. Ishan Marvel, assistant professor of English, delved into the philosophy of *ikigai* and choosing the right career path.

In addition, the chief guest for the occasion, Dr. Renuka Thapliyal, associate professor of geography and officiating principal, spoke about how students must prepare themselves for the changing world of constant technological innovation and competition. A total of 79 students attended the event held under the supervision of the convenor of the career guidance and counselling cell, Dr. Leena Vaidya.
