REPORT ON COACHING CLASSES FOR IIT-JAM, CUET (PG) & NATIONAL LEVEL COMPETITIVE EXAMINATIONS

Academic Session: 2025–2026

1. Introduction & Background

To foster academic distinction and facilitate smooth progression into advanced higher education, the Department of Mathematics at Government College Banjar conducted a specialized coaching programme for undergraduate students preparing for IIT-JAM 2026, CUET (PG) 2026, and other state/national-level competitive examinations. This initiative was undertaken to support students in securing admission to premier higher education institutions across the country.

2. Objectives of the Programme

- Comprehensive Guidance
- Conceptual Mastery
- Problem-Solving Agility
- Exam Pattern Familiarity
- Inclusive Motivation

3. Organisation, Modality and Duration

The coaching sessions formally commenced in the second week of November 2025 and continued across the winter term until the conclusion of central examination cycles. The classes were conducted between 2:00 PM and 3:00 PM in the Department of Mathematics. The program integrated direct blackboard instructional lectures, interactive problem, distributed study materials, and mock Test. Faculty members served as resource persons and personal academic mentors.

4. Teaching Methodology & Curriculum Delivery

- **Curricular Alignment:** Modular breakdown of IIT-JAM and CUET (PG) syllabi into topic-wise modules with dedicated problem sets.
- **PYQ Practice:** Extensive analysis and step-by-step solving of the last five years of competitive question papers.

- **Regular Assessment:** Scheduled diagnostic mock tests simulating actual test conditions followed by granular question-by-question post-test evaluations.
- **Strategic Career Guidance:** Providing detailed advisory on university application procedures, counseling rounds, category cutoffs, and post-graduate seat choices.

5. Student Participation

The program witnessed dedicated, active participation from final-year B.Sc. Physical Sciences (Mathematics & Physics Major) students. Attendance remained high throughout the program, showing strong determination and discipline toward achieving academic excellence.

6. Key Outcomes and Student Progression

The intensive coaching sessions translated into remarkable success in national post-graduate entrances and final degree outcomes. Notably, multiple students secured high cumulative grade point averages (CGPA) and verified admissions into prestigious Central Universities:

Sr. No.	Student Name	Roll Number	CGPA	Enrolled Postgraduate Programme & Institution
1	Anjali	202301300402006	8.58	M.Sc. Mathematics Central University of Himachal Pradesh, Dharamshala
2	Khushboo	202301300402008	8.54	M.Sc. Mathematics Central University of Jammu
3	Aryan Thakur	202301300402001	7.49	M.Sc. Mathematics Central University of Jammu

7. Conclusion

The coaching classes for JAM 2026, CUET, and other national-level competitive examinations organised by the Department of Mathematics, Govt. College Banjar, were successful and impactful. The programme significantly contributed to students' academic development and preparedness for competitive examinations. Such initiatives should be continued regularly to support student progression and success.
