

## Workshop on GIS (Geographic Information System) by Department of Geography

Geography Department organized a workshop for students on '**Basics of Geographic Information System (GIS)**' on 5 October 2016. The workshop was facilitated by Dr. J.C. Kuniyal, Scientist-F & Theme Head Environmental Assessment and Management & Environmental Governance and Policy, G. B. Pant National Institute of Himalayan Environment & Sustainable Development. It was designed to provide basic knowledge of GIS and Remote Sensing which has recently evolved as an integrating field of study and helpful in shaping careers. Eighty students participated in this workshop. Certificates were also distributed to the participants.
