

Career counselling for students of Geography Department on the theme Geoinformatics technology & Career Opportunities

Dated: 24-07-2021

The department of Geography under the leadership of Dr. Renuka Thapliyal and Prof. Naresh Kamal arranged a virtual meet for students about Geoinformatics technology and its applications which were organized by CBLU (Chaudhary Bansi Lal University, Bhiwani) in collaboration with NIGMT Foundation, New Delhi. This is an emerging field where students can seek their careers. In this meet 24 students participated actively.
