

Monthly Monitoring Report of IGNOU SC 1148 for December 2022 (Government Degree College Banjar)

Details of Major Activities Conducted During December 2022

1. Dissemination of information through media about TEE December 2022 and App developed by Ministry of Environment.

Information about TEE December 2022 was disseminated through local media channel Kullu Update on 1st December 2022. Information about the 'Bhasha Sangam App' developed by the Ministry of Environment in collaboration with My Government India was also given through which knowledge about various Indian languages can be attained and the App will help in learning different Indian languages.
