Grievance Redressal camp on 16th November

Report of Grievance Redressal Camp held on 16th November 2022

All the students of IGNOU SC 1148 were informed through different groups about the Grievance Redressal meeting held on 16th November 2022 at 2.30 PM in the center. This meeting was attended by 34 students in phases and they have submitted their applications. Most of the grievances were from previous batches whose assignment marks were not uploaded. This was sorted in the center itself. We have also received applications for not updating marks of DECE 4 Project for which we have written to IGNOU Delhi and copy forwarded to Regional Center Shimla. One application was received from Pawan Prakash whose name appears wrongly on the grade card. This has also been reported earlier to Regional Centre as well as IGNOU Delhi but still, the name has not been corrected. We have also received applications online by mail as due to adverse weather students could not come to the center. The center has integrated online Grievance Redressal Portal on its website.

Nature of Grievances:

1. Many students have asked for updates on their assignment marks. Since the center has not received evaluated marks from some counsellors we will complete this process next week.
2. Some students have complained about Delhi Centre that they have not added the marks of DECE 4 Project. We have written to them and forwarded them to you as well.
3. I had requested earlier that the name of Mr. Pawan Prakash S/O Sh. Tara Chand enrollment number 190622992 a student of B.A. appears wrong on

his grade card. It is not corrected in his final grade card.
